PRACTICE NAME AND NOTES

Prescribing Provider Attestation and Signature/Date

I certify that I am the prescribing provider identified above and have reviewed all of the order information above. Any statement on my letterhead attached hereto, has been reviewed and signed by me. I certify that all the medical necessity information is true, accurate, and complete, to the best of my knowledge. The patient's record contains supporting documentation, which substantiates the utilization and medical necessity of the products marked above. I understand the indications for use and associated warnings and precautions of the Tandem Diabetes Care® products I have prescribed herein. I understand that any falsification, omission, or concealment of material fact may subject me to civil or criminal liability. A copy of this order will be retained as part of the patient's medical record.

WARNING: Control-IQ technology should not be used by anyone under the age of six years old. It should also not be used in patients who require less than 10 units of insulin per day or who weigh less than 55 pounds.
